

Blue Sky Cuisine

Aloha and welcome to Kona! This is our catering menu for private aircraft. We do our best to offer fresh, local and seasonal items prepared with the highest quality ingredients available. Most of our dressings, soups, sauces and even our sausages and smoked salmon are made in house from scratch. You are certainly not limited to this menu and we will always do our best to prepare whatever meals you would like. Please let us know of any dietary restrictions or food sensitivities-we are happy to accommodate.

As you know, we are bound by strict USDA rules regarding produce going to the mainland. In spite of the restrictions, we do our best to offer fresh local products. If your flight is foreign bound, let us know as there are far fewer rules!

So that we can provide you with the best possible meals in a timely fashion, **we do require 24 hour notice (48 hours from December 20 thru January 15) on all orders.** We also request that crew meals be ordered at the same time as passenger orders. Late orders may be assessed late order fees.

Enjoy your time on our beautiful island. We look forward to serving you and your passengers.

Aloha,

Clare and Dan Bobo
